#### Additional Lyrics

2. Love and romance have had the best of me,  
I've followed blindly though I've clearly seen.  
You walk the line unnoticed and I'm the one who said it,  
I'm not through lovin' you yet.  
(To Bridge)
3. Sometimes the hunter's line falls prey,  
Back to the one that got away.  
It comes back uninvited and you're not gonna fight it,  
I'm not through lovin' you yet.
